

Product- information Type: DI610/20

Group: Insulating and mounting accessories

Distance sleeves made of plastic

Length:	20 mm
Material:	Polystyrol
Temperature rating:	70 °C

Distance Sleeves from Plastic Material and Brass

- + Material: Polystyrene
- + Compound: Polystyrene
- + Dielectric strength: 90 KV/mm
- + Specific electr. contact resistance: > 1016 Ohm/cm
- + Heat resistance: 70 °C
- + Colour: black

The standard lengths listed are most likely in stock.
