

**Cabinet, server, pre-ass. - 800 x 1000 x 1300mm/25U (w x d x h) RAL 9011
VME138010SB**

This server cabinet is made in the colour RAL 9011. The cabinet is provided with 80% perforated front and back doors. For the best cooling results you have to offer the cool air in front of the cabinet, which will flow horizontal through the cabinet. This stand-alone cabinet is delivered with dismantlable side panels. The cabinet is provided with 2-points cylinder locks (type EK-333) and 19-inch profiles. The 19-inch profiles are mounted at 50mm from the front and at a distance of 740mm. The roof has 3 blank cover plates. This cabinet has a loadbearing capacity of 1500 kg.
