## Specifications:

### Electrical:

Current Rating: 1.5Amp

Voltage rating: 150VAC

Contact resistance: 30mOhm

Insulation resistance: 500MOhm

Dielectric withstanding Voltage: 1000VAC (rms), 60Hz, 1 min.

### Mechanical:

Operation-Durability: 250 cycles

### Environmental:

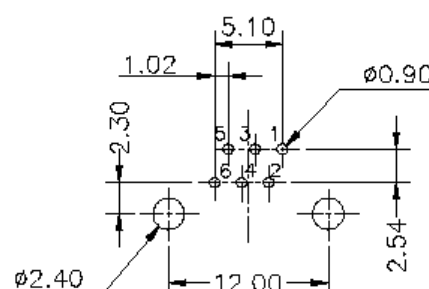

Temperature range: -40°C to +125°C

### Material:

Housing: glass filled Polyester, UL 94V-0,

Contact: 0.46mm Phosphor Bronze

6pinch Gold plated over Nickel in contact area

**PC Board Layout**

**t=1.6mm**
