

Product- information Type: AK350/10/SE

Group: Special heatsinks, Finger shaped heatsinks

Special heatsinks

Application (Cases):	TO220
Number of semiconductors:	1
Mounting of semiconductors :	to screw
Mounting of heatsinks:	to screw
Finish:	black anodized
Thermal resistance:	64 K/W
Material:	Aluminium

Top-mounted and contact pressure heat sinks
for optimised contact pressure and additional cooling

- + Reduced contact thermal resistance (R_{thGK}) to the primary heat sink and avoidance of hot spots by means of full-surface contact pressure
- + Reduced overall thermal resistance (R_{th}) via additional heat carry-off
- + R_{thK} -values obtained for stand-alone application
- + For individual M 2,5 / M 3 screwed assembly as standard
- + Special dimensions, e.g. for multiple assembly, on request

Type AK 350/10/SE
from AlMgSi 0,5 F22, black anodized for cases TO-220
