Aluminium eSATA harddisk enclosure for 3.5" SATA harddisk

Want to enjoy a mobile solution and still benefit from a huge storage capacity? The EM7053 is the device for you. With its sturdy aluminium this enclosure protects your harddisk perfectly well. The EM7053 comes with a eSATA/SATA bracket for easy access to this blazing-fast new technology. This external case gives you the same speed as an internal harddisk, because the case connects directly to the motherboard. Everything you need to connect the EM7053 is in the box. The only thing you have to provide is a serial ata hdd. Serial ATA is much faster than USB 2.0 so go for maximum speed with the EM7053

- Sturdy aluminium casing (high end pro design)
- SATA to USB2.0 and eSATA interface
- Suited for 3.5" SATA harddisk
- Comes with SATA to eSATA bracket and eSATA cable
- Comes with power supply adapter
- Easy installation
- 5-Year warranty
- Accessible helpdesk
- Multilingual user manual

Always a solution for you!
