**With the Ewent EW1228 Web Camera with Microphone you can send live video to anyone. The camera is easy to install thanks to USB 2.0 UVC and the perfect solution for video chat and video conferencing. The unique click-on enables you to simply click the camera on your LCD screen or laptop!**

**Live sound and video stream**

Your friends, family or colleagues can now see and hear you using your instant messaging software like MSN or Skype ! The EW1228 has a built-in microphone and live image support of 640x480 pixels with a frame rate up to 30 fps. This makes the EW1228 ideal for video conferencing and video instant messaging.

**Easy click-on stand**

It does not matter what kind of monitor you are using, the EW1228 fits on almost every monitor because of the easy click-on stand. You can also rotate the webcam into the right position to get the best picture of yourself! The webcam is lightweight and suitable for your desktop, notebook or netbook!

**Easy to install**

Plug in and show yourself! You can install the Ewent EW1228 Web Camera with Microphone on your computer, notebook or netbook in an instance! This is possible because of USB 2.0 UVC (Universal Video Class). You only have to connect one USB cable for both sound and image.
