

Kanvus KuPen Air (Kanvus KuPen Air)

Save and transfer your handwritten notes from paper to digital formats!

Overview

Clip, Power-on and Write

With exclusive patent, Kanvus KuPen Air could be used on any paper form and any standard off-the-shelf ink refill. Simply clip the receiver unit on the writing surface, turn on the unit and write.

From Paper to Digital Formats

Scribble on any paper, transfer files into your computer and save the necessary content, Kanvus KuPen Air and Notes Manager is your best companion to obtain both hardcopy and softcopy for your notes.

Edit and Share

Save, edit and share, Kanvus KuPen Air with MyScript Notes Lite support handwriting recognition in 22 languages for transferring your writing into editing-enabled formats.

KuPen Air, Mouse or Tablet

Avoid bulky carry-on, instead of carrying an additional mouse or graphic tablet for your notebook, KuPen Air can also act as a mouse or a graphic pen when connected to it.
