

Product- information Type: MC726

Group: Insulating and mounting accessories

Mounting clips for semiconductors

Areas of application (Cases):	TO220
Material:	Steel
Width:	15.1 mm

Mounting clips from spring steel facilitate mounting of your components in production and service.

Width: 7,3 mm

Suitable heatsinks (with clip-notch):

PR 101, PR 118, PR 119, PR 233
