

FPMA-HAW100

MEDICAL LCD/LED/TFT WALL MOUNT

The FPMA-HAW100 is a medical wall mount with gas spring for LCD/LED/TFT screens up to 24" (60 cm).

This NewStar medical LCD/LED/TFT wall mount allows you to mount a screen to any wall. This model allow users to swing, lift, tilt and turn the screen for maximum efficiency and comfort. This wall mount easily connects to the back of each LCD screen due to the VESA hole pattern.

The arm has a built-in gas spring.

Cables easily fit in the arm for a clean workplace. Screens fit to the arm using the VESA hole pattern.
